such Municipal Council, and, with the Consent of the Municipal Council, may take part at such meeting in the discussion or consideration of any question, on which, in virtue of the duties of his office, he considers his opinion or the information which he can readily hand be useful to such Municipal Council. The term Executive Engineer is explained to include the Principal Engineering Officer in or for the District. The Secretary Engineer is the principal Engineering officer for each of the Districts so far as the Sanitary Branch of the P.W.D is concerned ~~and the term is to include Municipal Councils. Submitted for orders~~

HCS 27/11/06 27/28 There seems to be no objection to sanctioning the Chief Engineer's recommendation after the Regulation comes into force.

I am afraid not - It is a forced interpretation to apply to the Land Engineer the designation Executive Engineer. The Collector should be asked if he wants the Land Engineer to be vested with the powers that the Executive Engineer has. Therefore there is no alternative but to proceed with the amendment of the Regulation. Meanwhile the Land Engineer can be informed that for the present and in all events
